- Provide a quality, Christ-centered, educational program which will equip our students with the skills they need to be knowledgeable learners, successful workers, and productive citizens.
- Assist parents to grow in their God-given role as spiritual leaders in their homes.
- Provide a safe environment that meets the needs of our students as they develop into Christian citizens.
- Encourage our students to use their God-given talents and abilities to serve our Lord.

Thanksgiving Break ~ There will be no school Thursday and Friday in observance of the Thanksgiving Holiday. We will be having a special Thanksgiving worship service at 6:00 PM tonight and another one tomorrow, Thanksgiving Day, at 9:00 AM. We hope to see you all there! On behalf of our faculty and staff, we want to wish you and your families a Happy Thanksgiving. What a wonderful time to take a break with family and friends and reflect on how richly the Lord has blessed us this year.

Call News ~ We are happy to announce that Mr. Philip Warnecke has accepted the call to be our 5<sup>th</sup> grade homeroom teacher and departmentalized science teacher. There will be a light supper served between services beginning at 4:45 PM. Again this year, students who are attending the 4:00 PM service are welcome to stay in their classrooms after school until their parents arrive for the service. As the world begins to prepare itself for the Christmas season, we hope and pray that you will be able to join us as we prepare our hearts for the coming of the Christ Child.

If you're moved to thank Jesus in this way, the Pantry is in need of canned soup. **MOST IMPORTANT**, please check expiration dates since the pantry **cannot** accept expired items. Barrels will located in school and church to share your donated items. Labels can be found next to the barrels. Please place your label on the back of the item, so the front can easily be read. This week was a huge improvement over last week. **Please continue to check over graded papers and talk with your children about their learning.** Studies consistently show that the more engaged parents are in the learning of their children, the more engaged their children will be in their learning, as well.
