Open House ~ A huge THANK YOU to everyone who helped get the word out about our open house this past weekend. We had an awesome turn-out! Thirteen families visited our school on Saturday, and almost all of them said that they had heard about our school from a friend or family member – like you! **If you know of anyone who is looking for a school for next year, please let us know.** We would love to send them information about our school or setup a tour with them.

Registration for the 2024-25 School Year ~ **Registration for the 2024-25 school year will be opening for all returning students on February 19.** You will receive an email from TADS on that day with a link to register for next school year. If you do not receive an email on February 19, please let us know right away. **We are expecting some of our classrooms to be at capacity next year, so it is very important that all students are re-enrolled as soon as possible in order to hold their spot.** If you have any questions, please be sure to let us know; we would be happy to help.

The students brought in a collection of 100 items. They measured, weighed, and drew their collections. We did 100 jumping jacks and recorded them with 100 tally marks. The children made a necklace with 100 Fruit Loops. We had a lot of fun celebrating 100 days of learning in Kindergarten!

## Grade 1

## Grade 3

This week we printed our "How to" essay. Students received two grades, one for formatting and typing, and one for their final written draft. Our "book clubs" are working nicely. Students are using everything they've learned throughout the year in their conversations. We also took note of the secondary character's role in the story and how he affects the main character. In Social Studies, we are learning about Civic Engagement in our community.

## Grade 4

We packed in a lot of learning this short week! We added pattern 3 with indirect objects to English class. In Social Studies we learned the capitals and fun facts for the 12 states in the Midwest. The students learned how to conduct a survey and graph the results in math class. Historical Fiction book clubs kicked off this week! Check with your child on their reading progress and assignment each night to ensure they are keeping up with their group. **Fang's Reading Club** has started! Students brought home their bases in Friday

Folders today. Our class has decided that in order to earn a base, students need to read a total of 2 hours in 2 weeks. This comes down to less than 10 minutes a night of reading. If students are doing the expected 20 minutes of independent reading every night, they will easily earn each base! 1<sup>st</sup> base is due next week; simply cut out, sign, and return 1<sup>st</sup> base in your child's folder to hang in the classroom. Questions – please reach out to me!
