- Assist parents to grow in their God-given role as spiritual leaders in their homes.
- Provide a safe environment that meets the needs of our students as they develop into Christian citizens.
- Encourage our students to use their God-given talents and abilities to serve our Lord.

Registration for the 2024-25 School Year ~ Registration for the 2024-25 school year is now open! You should have received an email from TADS with a link to register for next school year. If you did not receive an email, please let us know as soon as possible. **We are expecting some of our classrooms to be at capacity next year, so it is very important that all students are re-enrolled as soon as possible in order to hold their spot.** If you know that your child will not be returning to Immanuel next year, you can also note that through TADS or let us know via email. If you have any questions, please be sure to let us know; we would be happy to help.

The school board approved the following fees for the 2024-25 school year:

- The **milk fee** was increased from \$40/year to \$65/year to cover the increase in the price of milk over the past year.
- The **hot lunch fee** will remain at \$65/year for students in grades 3-8 and \$45/year for students in K-2.
- The **athletic fee** for students in grades 1-2 will remain at \$15/year. The fee for students in grades 3-8 will remain at \$50/year. - The **technology fee** will remain at \$50/year for students in grades 1-8.
- **The member of Immanuel/Prospect tuition rate** for next year will be \$1350/student. **The non-member of Immanuel tuition rate** will be \$3250/student. Grade 3

Students were surprised with new LED lights in the classroom on Thursday. It really "brightened their day." We are concluding our reading unit on characters. This week we learned about taking a position in a debate, finding the lessons learned by characters, and synthesizing themes across texts. That also means our book clubs are coming to an end, as well. We will be starting research clubs and learning how to research animals. Social Studies test on Monday. We've been reviewing and creating and filling out study guides. Students loved learning about American Heroes. If anyone is interested in helping me with our classroom library organization, let me know.

Grade 4

We finished the month of February strong in 4th grade this week! Students took their Midwest Region test today along with a math test. They are learning to take journeys through conversations in their book clubs. We continue to work on our focus and transitions without talking quite so much. Today the class put together our classroom greenhouse and planted seeds for various vegetable plants. **We look forward to growing these plants to fundraise for our school lighting project this spring!**

Fundraiser

~ Included with last week's note was an **order form for an additional fundraiser to reduce the cost for the trip to Chicago.** This

fundraiser is not mandatory. If you choose to participate, your children can sell pizzas from Port Sandy Bay in Two Rivers and earn \$3 for every item that is sold. (e.g. If they sell 20 pizzas, they earn \$60.) Please have your children complete the order form provided and be sure to have them collect payments as they receive the orders. **The order form and the payments are due Friday, March 22.** The pizzas will be delivered in the beginning of April. Please let me know if you have any questions.

Thank you for your patience as we've ironed out the wrinkles in our **pizza and sub program.** We are now going through and confirming amounts since we started. We apologize as some of the **TADS** accounts will have multiple months on upcoming invoices. If you have any questions please contact Jennifer Lemke at church@ilutheran.org or by calling 920.684.3404. Sorry again, for not getting prior months out in a timely manner, it will now be handled each month.
