Grade 4

Welcome back to school! I pray your families all had a wonderful break. We had a great week of learning in 4th grade. Students started learning about the Southeast region, only 4 states but many amazing features! In math, we learned about sales tax, artistic tessellations, and place value to the thousandths. We began our next reading unit studying Judy Blume and her middle grade novels. Students will start book clubs Monday and are excited to read the adventures of Peter and Fudge.

The students have been practicing for our upcoming singing opportunities in church. Please have your
