This week we learned that Jesus sent the Holy Spirit to his disciples. This made them brave to tell others about the Savior. We learned that when we hear God's Word, the Holy Spirit strengthens our faith, too. Let us hear the Word of God often! It's been fun watching the changes spring brings, and we are so happy to have lots of outside recess!

Our field trip to the Lighthouse was cancelled 12 minutes before we were supposed to load cars, for safety reasons. Thankfully, Rahr West Art Museum was able to accommodate us. Ms. Diana was an amazing docent. When, we returned to school I found an email in my inbox thanking me for our visit and complementing our children on their engaging questions and behavior. They really let their lights shine for Jesus.

This week our pen pals in Florida received their letters and are working on returning them. Students have absolutely LOVED Wisconsin History. We've already completed our first unit on artifacts, primary, and secondary sources. We complete the first half of the book at the end of third grade, and the second half of the book at the beginning of fourth grade.

Grade 4

The students had a wonderful time and were so amazing on our impromptu pivot for our field trip Wednesday! Miss Dianna shared that we were the highlight of her day despite she did not know we were coming until 20 minutes before we arrived! We will finish up our last social studies chapter today. Study guides will be coming home Monday and the test will be on Wednesday. In math we are entering into lots of new concepts. Please continue to check over your child's work each night. In reading we are beginning to study the American Revolution. Midquarters are in Friday Folders. Please look over the report and discuss with your child.
